Date: _____

Reclaiming the Game, Inc. is hosting a 3-day camp that focuses on the preparation required for elite college players to both become a better college player and transition into becoming professional basketball players. Players will receive instruction through a variety of teaching opportunities including, but not limited to, controlled scrimmages, film review of competitive games, and small group instruction. The camp staff, combined, has been working with elite college players for over 40 years. Many of those players had successful professional careers both overseas and in the

General Information

Max Anderson (Founder of Reclaiming the Game, Inc.) will be directing the camp. All basketball-related events and instruction will be held at the Boo Williams Sportsplex in Hampton, VA. Players will be staying at the SpringHill Suites on Power Plant Parkway, also in Hampton, VA. Transportation will be provided to/from the hotel and the Sportsplex and to/from the airport and hotel. All meals will be provided by the camp staff. Camp registration begins on Friday
